Dear Mr. Halvorson:

I want to thank you sincerely for your efforts on our behalf. With your assistance we have certainly more than recovered the cost of our energy audit and the recommendations you made.

To date we have more than tripled our investment with your firm with savings on our Edison bills. Your sage advice continues to bear fruit for our church.

Your suggestions for ways we may further save are under consideration by our board of trustees. Your knowledge, clear presentation, and clear concern have been a gift to this church.

Again thank you for being a blessing to the church. Feel free to use me, and Yucca Valley United Methodist Church, as a reference. May God bless your continuing mission as a good steward of our nation's energy resources.

Sincerely

John L. Runckel, Jr. / MDiv
